20241118 MVP Client Meeting

18 Nov 2024 |7:00PM

Attendees: everyone

Notes

- Did presentation and product review with Dr Will
- Updates/ Feedbacks from Dr Will
    - Generally looking good
    - Ranking UI: Would prefer to have fixed number positions with a better text format
    - Flagging question: Allow for questions to be flagged for users to easily go back to
    - Flashcards: Implement scheduled flashcard reviews on the calendar
    - Button being cut off from calendar screen
    - Scheduling: Need to implement Official Paper, Flashcards and Full-sized mock
- Some other features that could be implemented
    - Calculate score for each question
    - Overall score as another (new) page
    - Previous attempt feedback
    - Average score for users
        - Seeing what's the average test score
        - Bell curve → goes along/shifts as more user takes the test
    - Study schedule → Calendar
        - Formula for flashcard deck → work way down the list of flashcards according to topic

UPCOMING FOCUS:

- Cleaning up code → for fixes needed, need to see the Jira Board
- Study Schedule → Calendar
- Mini Mock Development → Raking UI, Flagging, Score, Feedback
